

Rivera ECHS Interact

Interact is a service club for youth ages 12 to 18 who want to connect with other young people and have fun while serving their communities and learning about the world. Interact Clubs, which meet at least twice a month, are sponsored by local Rotary organizations.

Interact clubs organize two projects every year, one that helps their school or community and one that promotes international understanding. Members of Rotary Clubs Mentor Interactors as they carry out the projects and develop leadership skills.

Rotary Vision

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Rivera ECHS Interact Mission

Our mission is that as students you will become proactive socially aware 21st century citizens and leaders capable of breaking diversity barriers. The mission is designed to empower students, to go beyond the books and the knowledge that you encounter in the classroom, and become aware of the social impact that you are capable of.

Understanding the Obligations of Membership

Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. For example, there will be chapter meetings. Members also must participate in chapter and individual service projects to benefit the school and community.
